PRODUCT FINISHES

SMOOTH
(Part # Extension: -01)

Glossy black ABS plastic with a very light texture. The traditional top-selling finish. Perfect if you want to paint them yourself.

TEXTURED
(Part # Extension: -02)

Textured black ABS plastic. The fastest growing finish we offer. Perfect for the rugged look, looks great left unpainted.

MATTE SMOOTH
(Part # Extension: -03)

The standard finish available on our Sportz Flarez. Looks great unfinished or painted.

PAINTED
(Part # Extension: -PP)

TrueEdge can paint any set of our smooth finish flares to match your vehicle color. This is the finish for the ultimate custom look.

CV92 – Black

3502E – Black (Embossed) 3502S – Black (Smooth)

Trim-Gard has changed the rules for automotive after-market moldings! Our line of top-capped O.E. style moldings provides a choice you've never had before. We've capped our chrome with a thick, tough, layer of crystal clear vinyl, giving 20 times more protection to the chrome finish, making these moldings more durable than ever and actually improving the look of the chrome by imparting a deep rich glow, not possible before.

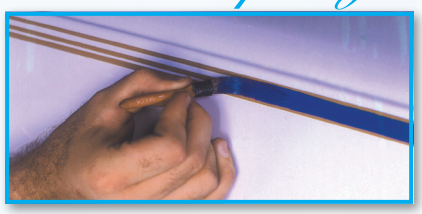
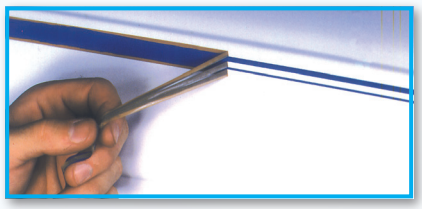
You can do paint pinstriping repairs or complete cars as easy as 1-2-3 with the Striper™ by

Finesse Pinstriping Inc.

Apply the stencil tape.



Paint over the stencil.



Peel off the stencil.

Components also sold separately.

The FS-500 PAINT PINSTRIPING KIT

- Five 4-oz. cans of pinstriping paint – White, Imit. Gold, Red, Navy Blue, Black
- Six 40' rolls of stencil tape – F4, F6, F16, F20, F21, F25
- High-quality camel hair pinstriping brush.
- Brush oil to keep brush soft and workable.
- Complete instructions, including how to make bends, points, corners and 2-tones.
- Size chart to help you match the size you need.

PINSTRIPING PAINTS

Our high quality paints come in 4 oz. cans and are available in 21 different colors. They are high gloss and very opaque enamels that are made for applying on painted surfaces without need of sanding. All 21 colors can be easily mixed with each other to match any color.

TWO-TONE PAINTING

With the Striper stencil tape, two-tone pinstriping is easy and looks great! It solves the problem of matching the correct size pinstriping with the desired colors, which is a problem with regular vinyl pinstriping tape.

THE STRIPER™

The Striper™ stencil tape is available in 160' rolls and in over 50 different sizes. Our tape leaves the cleanest and sharpest lines, nothing else even comes close!

LOGO SCREENS

Logo screens each feature a pair of graphics, approximately 1/2" tall. The screens measure 6" tall by 4" wide.

Place the screen on the car with the lip side down. Put paint on the screen, push down, and squeegee paint across the screen. Lift up quickly. Clean your screen with water or mineral spirits.

We have over 50 stock designs for all popular makes and models.Use any of the Finesse paints on the previous page to coordinate with your painted pinstripes!
